

Impact of the COVID-19 pandemic on the data we publish

Due to the impact of the COVID-19 pandemic, most exams and assessments did not take place in 2019/20 or 2020/21. As a result of this, the government announced that it would not publish school or college level results data in autumn 2020 or autumn 2021.

Information on what this means for the way school and college accountability will operate for 2019/20, 2020/21 and 2021/22 can be found here (<https://www.gov.uk/government/publications/coronavirus-covid-19-school-and-college-performance-measures>).

Downlands Community School (URN: 113659)

This school is located in a local authority (LA) that was subject to re-organisation on 1 April 2019. Due to this change, there is no 2017/2018 LA average data available. Averages for the new LAs will be published with the 2018/2019 school performance data with the exception of pupil destinations data, which will be published with the 2018/2019 leavers destinations data.

Early Years Foundation Stage

This is final data for 2018/2019.

Percentage of pupils achieving a good level of development

Number of pupils = 41
